Imagine a giant, high-tech spinning wheel that stores enough energy to power an entire neighborhood. Sounds like sci-fi? Well, Bandar Seri Begawan is turning this concept into reality with flywheel energy storage systems. Nestled in Brunei's capital, this innovation is quietly reshaping how the city manages renewable energy. But why should you care?

Bandar Seri Begawan . Bandar Seri Begawan is the capital of Brunei and the country's only real population centre. It is the centre of Brunei's commerce and government but retains a somewhat sleepy, laid-back feel. The town lines the banks of the Brunei River and houses some of the country's most important landmarks.
