• Bangladesh Metal Container Market (2024-2030) Outlook | Industry, Size, Revenue, Growth, Trends, COVID-19 IMPACT, Value, Share, Forecast, Analysis & Companies

Crisscrossing the vast landscape and bustling cities between China and Bangladesh can seem like navigating a high-stakes board game. Picture it almost like a life-sized version of Monopoly, where the dice rolls decide whether to ship by air, sea, road, or rail.. With towering mountains to cross and winding sea routes, road and sea transport emerge as practical choices.

According to the announcement, the retail power tariff has been increased from 5.17 taka to 6.20 taka per kilowatt-hour unit at the wholesale level. BERC said it made the decision in responding to a review petition filed by the Bangladesh Power Development Board (PDB) to increase the electricity price at the wholesale level.
