At present, we own more than 30 technology innovations in the fields of lithium battery energy storage system and electric vehicle battery module. As an important project introduced by the city government, Eco power group is devoted to green energy field and provides Li-ion battery solutions in aspects of CE, EV and Pack System.

Eco Power Group is a leading manufacturer and supplier to provide LFP/NCM chemistry prismatic batteries, stationary/mobility energy storage system and relevant components. We are established in September 2014 and ...
