

Solar lights for home use outdoors

Which solar lights are best for your outdoor space?

Luckily, we tried and tested a wide range of solar lights to find the best one for every outdoor space and how well they cope with different weather conditions for longevity. If you're after string lights, Brightech's Ambience Pro LED Outdoor String Lights is our favorite pick.

What are outdoor solar lights?

Outdoor solar lights simplify exterior illumination, offering beautiful, functional lighting without the need for wiring. These lights are available in a variety of forms to help improve home safety and security, light up patios and walking paths, or create a cozy glow around your lawn, garden, or pool.

Are outdoor solar lights a good idea?

An outdoor space bathed in soft light can instantly set you at ease, and with outdoor solar lights, you'll save money and energy while creating this aesthetic. "When searching for backyard lights, you want to find something that provides a great ambiance," celebrity interiors and lifestyle designer Mikel Welch tells PEOPLE."

What kind of outdoor lighting should I buy?

If you want some decorative outdoor lighting that also provides brightness at night, a set of string lights like the Brightech String Lights or an elegant post lantern like the Kemco Solar Post would be a solid choice.

What should you consider if you want decorative outdoor solar lights?

If you're looking for lighting to hang around a gazebo or line a patio, consider more decorative models, such as the Aityvert torch lights or the Brightech string lights. Here are three factors to consider when buying landscape lighting. Before purchasing outdoor solar lights, consider your personal lighting needs.

What are the best solar lights?

We chose the AloftSun Solar Motion Sensor Outdoor Lights as the overall best solar lights for their durability, water resistance, and motion-sensing capabilities. If you're looking for a set of string lights, we loved the Brightech Ambience Pro Solar Powered Outdoor String Lights, because they held up to water and freezing temperatures.
