Lubi electronics is a excellent manufacturer,supplier of a Multifarious range of (SMPS) switch mode power supplies /AC to DC convertors / DC to DC convertors/ SMPS power supply.

A portable power supply is very much like a generator. They provide you with electrical power when you are camping or if the power is out in your home. There are a few differences, however, between a portable power supply and a generator. First of all, a generator runs on gasoline, while a portable power supply runs off of a rechargeable battery.
