

Summary: President Museveni has approved UK investors from Strand Hanson Ltd to mine lithium in Ntungamo district, emphasizing the goal of localizing electric car battery production and securing a ready market, while encouraging collaboration with Kiira Motors. President Yoweri Museveni has granted approval to UK investors to undertake lithium mining ...

Things to consider when shipping lithium-ion batteries. Because lithium-ion batteries are typically contained or encased within the equipment or products they power, smartphones, tablets, and laptops, they are considered safe to transport, as long as the metal or alloy cell in the battery does not exceed 1g.
