Cities like Prague, Brno, and Ostrava want to become key centres of innovation in Central and Eastern Europe, particularly in fields like ICT, software development, and mobile apps. To nurture this growth, the Czech Startup Association was created, aiming to ensure a supportive environment that helps startups thrive and keeps the country at the ...

Dating in Prague is a completely different experience than dating in Brno because of their vastly different cultures and social norms. They also have very different nightlife scenes, so if you're looking for a good time out on the town, it's best to know which city you want to date before going there!

Even though Brno is the Czech Republic's second-largest city, the moment you arrive, the crowds seem to just melt away. It also gives off a more authentic vibe than the capital city of Prague. Plus, thanks to its big student community, Brno has a lively, youthful energy that's unique in its own right.
